

The Waitt Institute has big, collaborative, exciting, ocean conservation plans and we're hiring!

We're looking for:

1. Operations Manager - based in DC or NYC
2. Curaçao Site Manager - based in Curaçao
3. Montserrat Site Manager - based in Montserrat

We partner with governments and communities to envision, design, and achieve a sustainable ocean future. Looking for folks with diverse skills and a focus on solutions to do important, fun, rewarding work with our small but mighty team.
