

Puerto Rico Sea Grant announces funding opportunity for our regular two year 2018-2020 research cycle. The competition will begin with the submission of a letter of intent (2 pages) due on **Dec 15**. Project descriptions are for \$120,000 (2 yrs). If you would like to participate check the Puerto Rico Sea Grant web page for a downloadable copy of the Request For Proposals (RFP) description and one for the letter of intent (LOI). To enter the web site follow the Link below.

seagrantpr.org/research-areas/

Then select letter of intent at the upper right. Full RFP is also needed and will be available.
