In this job strategic planning and on the ground work go hand in hand. The ideal candidate must possess the ability to combine strong management skills, as well as focus on the scientific needs of conservation.

Requirements:

- Master’s degree
- Minimum 5 years management experience, preferably as a director or in a senior position in an (conservation) NGO
- Strong leadership expertise to manage a small diverse staff (8p) and on average 10 international interns/volunteers.
- Ability to assist staff in their administrative function
- Extensive experience in fundraising and government relations
- Substantive knowledge in terrestrial ecology, botany or biology.
- Experience in advising the Board with governance issues.
- International (and preferably Caribbean) experience is a must
- Fluent in English

Sint Eustatius is a small (10 sq. miles, 26 sq meters. pop 3,250) island in Eastern Caribbean. STENAPA is responsible for the management of the National Parks Boven/Quill, the Marine Park and the Botanical Garden. The organization also works on conservation of flora and fauna outside of the National Parks. www.statiapark.org
